

FLOOR SHINE

NEUTRAL CLEANER FOR FLOORS

Dubond's Floor Shine is a neutral cleaner for the maintenance of any kind of floor made of marble, granite, ceramic, etc. Its neutral pH formulation allows a general use on every washable surface. Floor shine contributes in increasing the resistance of the treatment to pedestrian traffic. Ideally suitable as a general purpose cleaner. It is very much safe and less reactive compared to other cleaners based on Hydrochloric acid especially on marble surfaces. Designed for everyday maintenance of tiles, marbles, natural stones, etc. Ideal for regular maintenance of heavily trafficked areas such as shopping malls, hotels, etc.
